

Dear Camp Electric Parent,

As you know, Camp Electric is right around the corner. We are so excited to have your student this year and have been praying for extraordinary things. Might I ask you to remember to join us in praying for the specific needs of Camp Electric this summer?

One specific need that God has blessed us with...

You heard it right, a need that is a blessing?

MORE MALE CHAPERONES!

Parents, we are praying that God uses you to fulfill this need. Each year at Camp Electric we need chaperones to attend. We have more students signed up than ever before and we definitely need more chaperones! So HELP this year!

Yes, we know this seems to be a big challenge for many of you- "You want me to take a week of vacation AND pay to go?" Yes. This is a great investment in the life of your teenager. I can't think of a better investment into the lives of these young people than for their fathers and mothers to invest in the lives of their sons and daughters.

It is encouraging to think about rising up to the next generation of worship leaders and musicians.

Parents, will you come alongside Camp Electric this summer and as a privilege, serve our teenage boys and girls at camp?

Who knows!

Your student might just be the one God uses to be the next TOBYMAC!

Please help us invest in the life of your student and fill out the chaperone application online at www.campelectric.com.
