

Deposits and Payments

The first \$199 paid per student is considered a non-refundable, nontransferable deposit. If the student cancels, the total amount of refund will vary based on the month of cancellation, plus any additional fees applicable to the individual student. If a partial payment is made with a credit/debit card, then that same card will automatically be debited for subsequent payments on the dates they are due. All payments are automatically processed on the 1st of every month. You will not be contacted or reminded about upcoming payments. A fee of \$35 will be assessed for all credit cards declined, due to insufficient funds, credit card expiration, or any other reason. No credits are given in the event of cancellation. Tuition already paid cannot be transferred to another student or to another year of camp. Amp fees (if you are a guitar player), housing upgrades, convenience fees, and airport transportation will be in addition to the original cost of camp. Under any circumstances, if there is a change from one camp to another, a fee of \$50 will be applied to the account. Upon selecting the payment plan, a \$199 non-refundable, non-transferrable deposit will be due at the time of registration, along with a \$40 non-refundable convenience fee. Automatic payments will begin on the 1st, 15th or 30th day of the new month, depending on the registration/non-refundable deposit date.

Any changes to Tracks, Class Level, Housing, or Roommate Requests will be assessed a fee of \$15 per item changed if requested on or before April 1st.

After April 1st, the fee for changes will increase to \$30 per item changed.

ABSOLUTELY NO CHANGES can be made after May 1st for any reason.

Students who bring the wrong instrument to camp, will be charged a fee of \$199 in order to change tracks. Any student arriving at Camp Electric who has not registered for a session of camp will either be registered for camp at the Regular Price plus an additional fee of \$399 (if there is space available), or they will be sent home at the guardian's expense.

If you have selected Electric or Bass Guitar, an option to purchase a personal amp will be given. There will be a \$20 amplifier fee added to your total cost. This amp will be the student's to keep. If electric or bass guitar students do not choose to purchase an amp, they must bring a small, personal amp to use at camp, in addition to their guitar.
